

dōTERRA Women

Bone Nutrient

Lifetime Complex™

PRODUCT DESCRIPTION

dōTERRA Women Bone Nutrient Lifetime Complex is a blend of vitamins and minerals that are essential for bone health in women beginning in adolescence and continuing through menopause*. Bone Nutrient Lifetime Complex is formulated with bioavailable forms of natural nutrients that include vitamins C and D, plus calcium, magnesium, and other trace minerals that support healthy bone density as a woman ages.*

CONCEPT

Beginning at an early age, women begin to build bone mass, reaching a maximum bone density in their late twenties. A diet rich in essential bone nutrients is critical during these early years of bone development, but food intake surveys suggest that women consume half the recommended amounts of calcium and other bone nutrients for optimal bone health. This deficiency is pronounced in teens who are less likely to eat right but who would benefit from increased bone nutrient consumption as their young bones are absorbing nutrients at a rate nearly double that of adult women.

As a woman ages, healthy bone mass and density becomes a more significant influencer of overall health and quality of life. Scientists agree that adequate calcium and vitamin D throughout life, as part of a well-balanced diet, may reduce the risk of osteoporosis. Building strong bones through a woman's formative years and maintaining bone mass and density as she ages are critical parts of a lifelong health strategy.

PRIMARY BENEFITS

- Provides optimal levels of vitamins and minerals essential for developing and maintaining healthy bone mass and density*
- Provides 100 percent of the recommended daily amounts of calcium and magnesium
- Supports healthy bones and overall health throughout a woman's lifetime*
- Proprietary formula of the highest quality bone nutrients in bioavailable forms
- Contains vitamin D2 and D3 to help bones absorb calcium*
- Made with sodium lauryl sulfate-free HPMC vegetable capsules

DIRECTIONS FOR USE

Teen and adult women (and men) take four (4) capsules daily with food.

CAUTIONS

Pregnant or nursing women and people with known medical conditions should consult a physician before using. Does not contain wheat or milk products.

Store in a cool, dry place.

FAQs

Q: At what age should a woman start to use Bone Nutrient?

A: Bone Nutrient Lifetime Complex is safe for use by women of all ages desiring to increase their dietary consumption of essential bone nutrients. It can help young adults reach their maximum peak bone mass and help prevent bone loss throughout adulthood, especially after menopause.

Q: Can men also use Bone Nutrient?

A: The Bone Nutrient Lifetime Complex can be safely and effectively used by men. It is marketed towards women because women are at a higher risk for bone loss, especially after menopause. However, bone loss also occurs in men.

Q: Why do I need both Vitamin D2 and D3?

A: Vitamin D2 (ergocalciferol) and vitamin D3

(cholecalciferol) are included in the bone nutrient complex to help you get both forms of vitamin D. Both forms effectively raise vitamin D levels in your blood and contribute to optimum bone health.

Q: Is Bone Nutrient GMO and gluten-free?

A: Yes, Bone Nutrient is both non-GMO and gluten-free

Q: Why is zinc, copper, manganese, and boron listed as yeast? Should I be concerned if I am suffering from the effects of Candida?

A: The minerals in the Bone Nutrient complex are added to a harmless yeast culture, allowing the yeast to modify and incorporate the mineral into their biological matrix. The yeast, which is unrelated to Candida and is non-infectious, is rendered inactive at the end of the process and does not cause any Candida issues or buildup of yeast in the body.

COMPLEMENTARY PRODUCTS

- Lifelong Vitality Pack
- Microplex MVP™
- Phytoestrogen Lifetime Complex™
- dōTERRA Daily Nutrient Pack™

Supplement Facts

Serving Size: 4 vegetable capsules
 Servings per container: 30

	Amount Per Serving	% DV
Vitamin C (as glycoprotein matrix)	90 mg	150%
Vitamin D-2 (as ergocalciferol)	160 IU	40%
Vitamin D-3 (as cholecalciferol)	650 IU	160%
Biotin (as d-biotin)	300 mcg	100%
Calcium (as coral calcium)	1000 mg	100%
Magnesium (as magnesium chelate)	400 mg	100%
Zinc (as yeast)	9 mg	60%
Copper (as yeast)	200 mcg	10%
Manganese (as yeast)	200 mcg	10%
Boron (as yeast)	2 mg	**

** Daily Value not established

Other Ingredients: Vegetable hypromellose, rice flour, vegetable stearate, olive oil.
